Deleted text: ~~crossed-out~~

Implementation: Immediate

New text: **bold underlined**

OLD TEXT

Article 8.1 of the CHAMPIONS OF THE FUTURE EURO SERIES Sporting Regulations.

Number of tyres for each competition

Art. 14 of the FIA Karting European Championship OK Junior and OK will apply.

For the purpose of the tire stocking of slick and wet sets of tires to be used from Qualifying Practice until the Final, competitors will collect their set of tires as per the timetable, and they will be stored and kept in parc fermé situation for the whole event, they will be handed out at the tire parc before every session of Time Qualifying, Qualifying Heats, Superheats and finals, they will be returned to the tire parc after the session. It is the competitor's responsibility to ensure that the correct tires are fitted at every time. Infringements to this procedure will be reported to the Stewards.

NEW TEXT

Article 8.1 of the CHAMPIONS OF THE FUTURE EURO SERIES Sporting Regulations.

Number of tyres for each competition

Art. 14 of the FIA Karting European Championship OK Junior and OK will apply.

Sets of «wet weather» tyres: 2 sets of new «wet weather» tyres for Qualifying Practice, Qualifying Heats ~~and final phase~~. **For the Final all qualified drivers must start on a new set of Wet tyres in case of Wet race (declared by the Race Director). In case the driver does not have any new set of wet tyres left after the qualifying phase, a new set is available exclusively for the final, if the Driver still have a new set of wet weather tyres that were scanned for the qualifying phase he/she can use this set.** The number of «wet weather» tyres reserved for Free Practice and Warm-Ups are not limited. A minimum of 1 set is guaranteed by the Official tyre supplier for the Free Practice sessions

For the purpose of the tire stocking of slick and wet sets of tires to be used from Qualifying Practice until the Final, competitors will collect their set of tires as per the timetable, and they will be stored and kept in parc fermé situation for the whole event, they will be handed out at the tire parc before every session of Time Qualifying, Qualifying Heats, Superheats and finals, they will be returned to the tire parc after the session. It is the competitor's responsibility to ensure that the correct tires are fitted at every time. Infringements to this procedure will be reported to the Stewards.
